DATASETS

- 2026 “Jihadist Leaders Dataset (JLD)”
Data on 31 biographical attributes of 238 leaders from 110 jihadist groups across Africa, Asia, and the Middle East between 1976 and 2023, drawing on Arabic, English, French, German, Turkish, and Urdu sources.
[Download dataset.](#)
- 2025 “Civilian Victimization in the Kurdish Insurgency Dataset”
572 incidents of the PKK’s coercive acts, targeting or unintentionally harming civilian bystanders in 21 provinces in southeastern Turkey with significant Kurdish-speaking populations between 2014-2019, recording the characteristics of individuals (e.g., public worker, politician, alleged state informant, business owner).
[Download dataset.](#)
- “Northeast Indian Militant Group Networks Dataset”, Forthcoming.
Network dataset of 53 ethnonationalist militant groups active in Northeast India from 1981 through 2021, coding 8 forms of cooperation: joint operations, training, arms and funds, intelligence-sharing and logistical support, joint planning and meetings, joint public statements, umbrella organizations, and rhetorical support.
- “Rebel Internal Governance (RIG) Dataset”, Forthcoming.
Time-variant data on 14 internal institutions and practices of 166 rebel groups across 57 countries between 1990 and 2012, capturing both written and de facto regulatory frameworks, judicial procedures, and disciplinary practices used to regulate fighter behavior.
- “Denial and Rebuttal in Rebellion Dataset”, In development.
Data public statements issued by rebel groups in the sub-Saharan African, Middle East and North Africa, in which they refute allegations (e.g., affiliations with other nonstate actors, the arrests of their members, the killings of their leaders, involvement in criminal activities) made by governments or media outlets.
